

## **Antonio Greco**

Antonio Greco pievienojās Delnai 2016.gada septembrī kā praktikants, pēc tam turpināja darbu kā pētnieks un projektu vadītājs. Antonio pētījis naudas atmazgāšanu caur Latviju un atvērto datu izmantošanu cīņā ar korupciju. Viņš ir Delnas ziņojuma “*Connections: Money Laundering in Latvia and the Role of Trust and Company Service Providers*” (2018) autors. Antonio ir no Itālijas, bet maģistra grādu starptautiskajās attiecībās ieguvis Linkopingas universitātē Zviedrijā.

## **Antonio Greco**

Antonio Greco joined Transparency International Latvia in September 2016 as an intern and has later worked as a Researcher and Project Manager. Antonio has analysed money laundering through Latvia and the role of open data in anti-corruption. He is the author of TI Latvia’s report “*Connections: Money Laundering in Latvia and the Role of Trust and Company Service Providers*” (2018). Antonio is from Italy and has graduated Linkoping University in Sweden with an MA in International and European relations.
